1. Purpose

The FMM CTA Library provides a standardized collection of engagement prompts designed to encourage meaningful conversations, gather community feedback, and increase audience interaction.

Instead of repeatedly asking *"What do you think?"*, FMM uses varied, context-aware CTAs that feel natural and valuable.

The goal is to build a strong FC Mobile community by encouraging players to share experiences, opinions, and strategies.

Every post should include **one primary CTA**.

CTAs should:

- Match the content type.
