---

1. Purpose

This guide ensures that every Facebook caption published by **FC Mobile Mania (FMM)** follows a consistent writing style, reinforces the brand identity, and maximizes engagement without relying on clickbait.

Every caption should educate, entertain, or encourage discussion while maintaining a professional and community-focused tone.

---

2. Writing Philosophy

Every caption should achieve at least one of these goals:

- Inform
- Educate
- Entertain
- Start a discussion
- Help players make decisions
- Build community trust
- Encourage interaction

Never write a caption solely to chase likes or shares.

---

3. Brand Voice

FMM speaks like a knowledgeable football gaming analyst.

The voice should always be:

- Professional
- Friendly
- Passionate
- Confident
- Respectful
- Honest
- Community-focused

The brand should never sound arrogant, toxic, or overly promotional.

---

4. Tone of Voice

The tone may vary slightly depending on the content, but should remain consistent with the FMM identity.

Player Reviews

Objective, analytical, balanced.

News

Informative and timely.

Pack Openings

Excited but authentic.

Event Guides

Helpful and instructional.

Comparisons

Fair and evidence-based.

Polls

Curious and discussion-driven.

Announcements

Professional and optimistic.

---

5. Standard Caption Structure

Every major Facebook caption should follow this structure:

1. Hook

The first line must grab attention without using misleading claims.

Examples:

- Is he worth the coins?
- The new event is finally here.
- One of the best midfielders this season?
- This player surprised us.
- A hidden gem for budget squads.

Keep the hook under 12 words whenever possible.

---

2. Introduction

Briefly introduce the topic in one or two sentences.

Example:

"The latest Hall of Legends release brings another exciting option for attacking players. After testing him across multiple matches, here's our analysis."

---

3. Main Analysis

Provide useful information.

Depending on the content:

Player Review

Discuss gameplay experience, strengths, weaknesses, and overall value.

Event Guide

Explain rewards, progression, and strategy.

Comparison

Highlight differences and ideal use cases.

Pack Opening

Describe notable pulls and overall impressions.

Keep paragraphs short for mobile readability.

---

4. Key Takeaways

Summarize the most important points.

Example:

Pros

- Elite dribbling
- Smooth ball control
- Great finishing

Cons

- Expensive
- Weak aerial ability

---

5. Recommendation

Clearly answer the main question.

Examples:

- Highly recommended for competitive players.
- Worth buying if you need a fast winger.
- Consider waiting for a price drop.
- Better alternatives are currently available.

Avoid vague conclusions.

---

6. Community Question (CTA)

Always end with a question that encourages meaningful discussion.

Examples:

- Would he start in your squad?
- Who would you choose instead?

- What's your experience with this player?
- Which event reward are you targeting?
- Rate this card out of 10.

Only ask one primary question per caption.

---

7. Hashtags

Use 5–10 relevant hashtags.

Follow the official Hashtag Library (Document 7).

---

6. Content Type Templates

A. Player Review

Structure:

- Hook
- Overview
- Strengths
- Weaknesses
- Verdict
- Community Question
- Hashtags

B. Comparison

Structure:

- Hook
- Player A Summary
- Player B Summary
- Key Differences
- Recommendation
- Community Question

C. Event Guide

Structure:

- Hook
- Event Overview

💬 Discussion

Maximum Usage

- 1–2 emojis in the hook

- 4–8 emojis total per caption
- Avoid repeated emoji spam

---

8. Formatting Rules

Use:

- Short paragraphs
- Bullet lists
- Bold headings (where supported)
- Line breaks between sections

Avoid large blocks of text.

---

9. Recommended Caption Length

Content Type	Words
Quick Update	40–80
News	80–150
Event Guide	150–300
Player Review	250–500
Comparison	250–500
Squad Builder	200–350
Announcement	100–200

---

10. Engagement Strategy

Encourage meaningful interaction by asking questions that invite opinions or experiences.

Examples:

- Which player would you choose?
- Is he worth the coins?
- What's your highest OVR?
- Which formation works best for you?
- Did this event meet your expectations?

Avoid generic questions like:

"What do you think?"

"Thoughts?"

---

11. CTA Placement

The CTA should appear immediately before the hashtags.

Example:

"Would you spend 3 billion coins on this card? Let us know in the comments! 👇"

---

12. Hashtag Standards

Use a mix of:

Brand

#FMM

#FCMobileMania

Game

#FCMobile

#EASPORTSFCMobile

Topic

#PlayerReview

#TOTY

#TOTS

#HallOfLegends

Player

#Mbappe

#Ronaldinho

#Maldini

Do not use more than 10 hashtags.

---

13. AI Instructions

When generating Facebook captions with AI (Gemini, ChatGPT, Claude, etc.):

- Start with a compelling but honest hook.
- Use short paragraphs optimized for mobile reading.
- Maintain a professional, informative, and community-focused tone.
- Explain gameplay, events, or comparisons clearly.
- End with one engaging community question.
- Add 5–10 relevant hashtags from the official FMM Hashtag Library.
- Avoid clickbait, excessive emojis, and unsupported claims.

---

---

15. Example Caption

🔥 Is this the best value striker in FC Mobile?

After testing him across multiple Division Rivals matches, we found that his finishing and positioning are outstanding. His pace allows him to break defensive lines, while his movement inside the box creates consistent scoring opportunities.

✅ Pros
• Excellent finishing
• Great positioning
• Strong pace

❌ Cons
• Average heading
• Slightly weak physicality

💎 Verdict:
If you're looking for a reliable striker without spending a fortune, he's definitely worth considering.

👇 Would you add him to your starting XI, or do you have a better option?
